Application for Credit

Applicant certifies that the above information, given for the purpose of obtaining credit with WLR Automotive Group, Inc. ("WLR") is true and correct. By signing this credit application, Applicant authorizes WLR to verify the information Applicant provides. Furthermore, applicant authorizes WLR to provide information on Applicant's account to others seeking such information. If WLR approves Applicant and extends credit to Applicant, WLR reserves the right to terminate that credit at any time and for any reason.

Obligation of Account

If WLR approves this credit application and creates a credit account for Applicant, Applicant is not obligated to exclusively service their vehicles at a WLR facility. If WLR creates a credit account for Applicant, Applicant is obligated to make timely payment for all services WLR provides to Applicant.

Credit Limit

If WLR approves this credit application, WLR will establish an initial credit limit for Applicant's new account. WLR may change that credit limit at any time. If WLR decides to change the credit limit, WLR may change the credit limit without providing notice to Applicant. Applicant agrees not to exceed its credit limit. If Applicant exceeds its credit limit, Applicant agrees to immediately pay any balance in excess of Applicant's credit limit. Every charge Applicant makes is subject to WLR's authorization. WLR may decline to grant authorization for any reason and WLR may impose limits on its authorizations.

Termination of Account

If WLR approves this credit application and creates a credit account for Applicant, either party may terminate the account by providing 30 days' notice to the other party of intent to terminate the account. Upon termination of the account, all amounts Applicant owes to WLR are due and payable immediately. This clause in no way affects WLR's ability to change the account's credit limit, WLR's ability to terminate the credit WLR extends to Applicant, or WLR's ability to deny authorization for charges, as described above.

Terms of Agreement

If WLR approves this credit application and creates a credit account for Applicant, and arbitration or legal proceeding are necessary to enforce or interpret the provisions of an ensuing agreement and/or this application, then the party that prevails at arbitration or in the legal proceeding shall be entitled to reasonable attorney's fees and legal costs from the other party, in addition to any other relief to which the prevailing party may be entitled. If a court of competent jurisdiction finds unenforceable any term, provision, covenant, or condition of this application and/or an ensuing agreement, then the remaining terms shall remain in full force and effect. If WLR creates a credit account for Applicant, WLR will process bills monthly. Applicant must pay invoice balance within 30 days of the invoice date. Unpaid bills will accrue interest at a rate of 1.5% per month, and interest will be assessed daily. If Applicant fails to pay timely and defaults, Applicant shall be required to pay WLR reasonable attorneys' fees, court costs, and collection expenses.
